

Sandy Upper School & Community Sports College

Headteacher: David Stevinson B.A

Dear Colleague,

Thank you for your interest in a teaching position at Sandy Upper School.

I joined the School in September 2007 and was delighted to join a team of teachers who were keen to ensure that the School improved rapidly, substantially and continuously. If you want to be part of a school that is determined to make this journey, then we want to hear from you.

The facilities at Sandy Upper School are impressive:

- All rooms have data projectors.
- There are banks of laptops for teachers to utilise in their teaching.

I hope that the information that we have provided gives you a good impression of the school. Should you wish to visit prior to making an application please contact my secretary who will be pleased to make the necessary arrangements.

Complete application forms should be sent to vacancies.sandyupper@gmail.com or to Claire Jones, Personnel Officer at the school.

Yours sincerely,

David Stevinson
Headteacher
