Physical Education

Physical education is a compulsory subject. All students, even if injured, are able to take a role within the lesson (coaching, umpiring, organising activities). Therefore we do not accept parental notes excusing students from PE. All students must bring kit to every lesson and inform the PE teacher if they are carrying an injury. The teacher will then decide which roles they undertake. If a student has a long term medical condition or injury we must have a Doctor or Physiotherapist letter.
